Dear Ankur:

On behalf of Agricultural and Forest Meteorology, I write to invite you to join its editorial review board. As you may know, Agric For Met is a top-rated journal in agriculture, forestry, and meteorology. Your area of expertise is very much in line with the direction we wish to promote with the journal. As a board member, you will have the opportunity to review 6-10 submissions a year and interact with other board members on journal-related matters such as refining journal scope and suggesting special issues and review articles. You will also receive a complementary print copy of the journal. If you are interested, I'd appreciate receiving your full contact information (address, phone and fax numbers).
